

## eye-catching pendants

# TRADITIONAL WITH A TWIST

## COLOUR-BLOCK CABINETS

The new rule is that they don't have to match. Place a lighter shade on top and a deeper one on the bottom to avoid a top-heavy look. Or, choose a different hue just for the island.

## HANG A FOCAL POINT

When you have something beautiful attached to the ceiling, you (and your guests!) can't help but look up and admire every centimetre of the kitchen.
