

Bold SHAPES

GEOMETRIC patterns add eye-catching energy to a room.

PUNCHY colours and fun fabrics in all shapes, sizes and styles, geometric prints have been a decorating favourite for decades – they look right at home in any space, from traditional to contemporary. And with the sunshine

season just around the corner, why not add some colourful circles, triangles, hexagons, quatrefoils and the like into your home? Here are some items to ease you into integrating these patterns into your space.
