

Hero finds

Blues and greens pop out against the plain white walls and echo the coastal scene outside. The shelves showcase a mix of old favourites and newer pieces

Belfast Pendants in black, white and concrete, **R1 599,95 each**, The Lighting Warehouse

Hinterveld Ilanga Africa Blanket, **R3 637**, Linen Drawer

Lena Dining Chair, **R2 499**, Coricraft

How to GET THE LOOK

- + Add pops of colour with a feature wallpaper, bold glassware, ceramics and bright cushions.
- + Give things space to shine and avoid cluttering open shelving.
- + Use rugs to define zones, especially in an open-plan kitchen-dining-living area.
- + Make the most of your view, only using window treatments where you have to, and opting for neutral-toned curtains.

Stoneware Carnival crockery, from **R19,99** for a side plate, Mr Price Home

Maxi Floor Lamp in black, **R2 599,95**, The Lighting Warehouse
